

The logo consists of the letters 'M', 'X', and '3' in a stylized, white, sans-serif font. The 'M' is a simple block letter. The 'X' is formed by two diagonal lines that meet at a central point, with a small cyan-colored rectangular block positioned above the intersection. The '3' is composed of three horizontal bars of varying lengths, stacked vertically.

# Hydration Testing System

\$1,249 per kit

## Each Kit Includes

### MX3 Lab Pro

This lightweight, handheld device can go anywhere. Simply insert a test strip and take a measurement for immediate hydration status. Data automatically pushes to the App and into the cloud for Dashboard access, if desired.

### Hydration Test Strips

These disposable test strips need just a micro-liter of saliva from the tip of the tongue. Results are delivered in seconds. Test strips can be refilled monthly or as needed. (qty 120)

### MX3 App

The App is available for a free download on Apple and Android devices. (Included)

### Dispenser

Lightweight and portable, the dispenser stores strips and provides a hygienic, hands-free way to load the LAB Pro.

### MX3 Online Dashboard

Access the Dashboard via the online portal to review user profiles and all measurement data. The Dashboard provides monitoring and tracking over time, with the analytics you need to help personalize hydration strategies and identify organization-wide trends. (Included)
